Allowable Subject Matter

1. Claims 1 and 2 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, neither anticipates nor renders obvious the following limitations as claimed:
[Claim 1]: An information processing apparatus, comprising "...said supporting means comprising a shaft mounted at one end of said image pickup means rotatably disposed within a bearing member for positive location in a portion of said display section, said supporting means further comprising at the other end thereof a second shaft member extending into said accommodation means and said image pickup means being secured to said second shaft member within said accommodation means, said body including providing means for providing a space for allowing said accommodation means to be turned without contacting with said body when said display section is pivotally closed on said body" in combination with other claimed elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
